

Guest Policy & Safety Reminder

At Strides, safety is our highest priority—for both our guests and our horses. Please take a moment to review and follow these important guidelines:

- ♦ **All individuals on site must be registered through our volunteer application process.** This ensures everyone is informed, prepared, and covered under our insurance.

- ♦ **Volunteers may bring friends or family for a one-time visit**, but a *Visitor Release of Liability Form* must be completed **before or upon arrival**.

You can:

- Download the form here: 🖱️ [Visitor Liability Form \(PDF\)](#)
- Or fill out a printed copy from the **blue folder on the tack room table** and return it into the back of the folder.

- ♦ **Helmet Policy for Children:**

All children 11 and under must wear a helmet when in close proximity to the horses.

Helmets are provided and can be found on the helmet rack in the tack room.

No children under 11 may enter a pen with a horse in it.

Thank you for helping us keep Strides a safe, respectful, and welcoming environment for all!

Warm regards,

The Strides Team
